Head Teacher: Mr. D. Downes

Dear families,

RE: Required Fitness Suite New E-Consent Form

We are writing regarding the latest exciting developments in our Fitness Suite, that includes the addition of new items of high-grade equipment. Although many children have previously returned a completed paper consent form, we now require a new electronic consent form that covers the use of new equipment.

If you have completed a paper consent form for your child, this is now null and void, with the new e – form taking precedence. Please note that without a completed e-form, we cannot allow your child access to the use of the gym equipment. Please follow the link – [Fitness Suite Consent Form](#).

The fitness suite is a fantastic resource available to our students. To keep everyone safe, it is important that students treat the equipment respectfully. This includes:

- Signing in upon arrival into the gym using the book;
- Only using the gym equipment under teacher supervision;
- Completed gym induction with Mr. Gambrell, Miss Mitchell or Mr. Channer.

In the situation where a student was to be purposely mistreating any equipment, the school may choose to impose any repair or replacement costs back on families (included in the e–consent form).

We are also organising a series of **FREE** Fitness Sessions with a qualified fitness instructor that will be open to all young people in our local community. Further details will follow shortly.

If you have any queries, please do not hesitate to contact me via office@ryecollege.co.uk.

Kind regards,

Mr. P. Gambrell
Head of Physical Education
