Head Teacher: Mr D. Downes

January 2024

Dear families and students,

**RE: Spring Concert Performance – Thursday 1st February 2024**

We are writing to finalise arrangements for the Spring Concert taking place this week on **Thursday 1st February**.

**As previously advised, students participating in the concert must stay in school from 15:30 for rehearsals.** The college will provide a light selection of sandwiches, snacks and drinks for students and we would also encourage students to bring their own snacks/a light tea to supplement what will be available. Please ensure that no fizzy drinks or sweets are brought in.

**Please note, all students participating in the concert will be required to wear correct school uniform, including blazer.**

The concert will commence at **18:30** and finish at approximately **20:00**.

Please note our Rye College car park will be very busy, we encourage families to travel on foot or by public transport, if at all possible.

The doors will open at **18.00** with refreshments available. Please bring some small change for a donation to our Student Enrichment fund.

For collection purposes, we kindly ask that families remain in their seats in the hall. Students will be brought by year group to the stage to be reunited with families. Those who have permission to make their own way home will be able to leave at the end of the concert.

If you have requested an accessible seat, please make yourself known to the staff members in reception who will escort you to your seat.

We look forward to celebrating with you the results of our students hard work. It promises to be a very enjoyable evening.

Please contact [office@ryecollege.co.uk](mailto:office@ryecollege.co.uk) with any questions.

Yours sincerely,

Mr. J. Maxim  
Assistant Headteacher
